Dear Folks:

This is Windsor, in Essex County, the most popular Gateway to Canada from the U.S.A. Over five million visitors pass through this city annually. The Ambassador Bridge (\$21 million) and the Detroit-Windsor Tunnel, (\$25 million), two of the world's great engineering achievements, are sights that you cannot miss. This spot is aptly called "the Sun Parlor of Canada" You will find Good Food, adequate accommodation & true hospitality all through this part of the country.

Sincerely,
